Christians Against Poverty (CAP)
Mission of the Month (September & October)

CAP was founded in 1996, and today their services are needed more than ever. 14 million people in the UK are living in poverty. Click on the following link to see a summary of CAP's 2024 client report: [Under the rubble of debt and poverty – CAP's 2024 client... | CAP UK](#)

CAP works with local churches to tackle the causes of poverty and to help people out of debt. Their services are free and open to people of all faiths and none. The services they offer include supporting people in finding work, life skills groups, managing money well, and addressing immediate needs.

At St Paul's we support the Penge Centre which runs from St John's Church, Penge. Please pray for debt coach, Gareth Hall, for the team of volunteers, and for all the clients they work with, that many more lives will be transformed by the practical help and love they receive. For more information see the noticeboard at the back of church.
